Disco Africa: A Malagasy Story

🕒 81 min □ Drama 🌍 France / Madagascar / Germany / Mauritius / South Africa / Qatar 📅 2023

In Madagascar, 20-year-old Kwame struggles to make a living in the clandestine sapphire mines. An unexpected event takes him back home. Reunited with his mother and old friends, he is also confronted by the rampant corruption that plagues his country: corruption, easy money, political struggles. The film echoes the African civil rights movements and artistic and musical awakening of the 1970s.

Zaho Zay

🕒 79 min □ Doku / Fiction 🌍 France / Austria / Madagascar 📅 2023

Maéva Ranaivojaona and Georg Tiller weave together an unusual, haunting hybrid of documentary and fiction, lyric poetry and social reflection. The voice of a woman (text by Jean Luc Raharimanana) conjures up both the world she inhabits as the guard at a crowded prison in Madagascar, and the wandering, perhaps mythic father she scarcely knew – a murderer who decides his crimes by rolling dice.
